Organisational History

Good Country Physiotherapy is a private practice providing high quality, evidence-based physiotherapy services with a key focus on self-management strategies and exercise-based therapy within the Upper Limestone Coast region.

Good Country Physiotherapy, originally trading as Angela Dunsford Physiotherapy, was established in February 2004 to service clients in the Upper Limestone Coast of South Australia. Currently, Good Country Physiotherapy has 4 main clinics in Naracoorte, Bordertown, Kingston and Keith with a satellite clinic in Millicent. The objective is to expand the business to service the entire Limestone Coast region.

Organisational Culture

Good Country Physiotherapy is committed to our mission, vision and values.

Our management team and staff are expected to uphold these values at all times while in the employ of Good Country Physiotherapy.

Purpose of Position

The purpose of this position is to support the delivery of effective physiotherapy treatment to patients as well as providing a positive experience for the patients in their dealings with the practice. The role encompasses a range of office and administration responsibilities that are aimed at ensuring services can be delivered efficiently and effectively, as well as contributing to the ongoing development of the business.

The quality of the overall Good Country Physiotherapy client experience relies heavily on this position as it is the front line for the organisation. The role provides the initial and final contact with the patient and as such it is critical in providing a positive image. It is imperative that this role communicates clearly and in a timely manner with clients and staff, both internal and external to the company.

Key Responsibilities

Provide clinic support functions:

- The coordination of patient appointments and communication regarding times allocated
- The filing of patient records in electronic form
- Reception and patient greeting functions
- Assisting clinicians in the efficient use of time to ensure that patient contact time can be maximised
- Providing administrative support to the physiotherapists and Practice Manager
- Ensuring that quality processes are established, documented and adhered to across all areas of the clinic
- Receipting, reconciling and depositing funds received by the practice
- Being knowledgeable about the stock available to purchase in the clinic, to answer patient questions regarding stock

Undertake marketing activities:

- Contribute to the positive marketing and promotion of the practice and the clinic

PO BOX 175, BORDERTOWN SA 5268 | Fax 08 8164 5044

BORDERTOWN 08 8752 2330 | NARACOORTE 08 8762 1515 | KEITH 08 8755 1530 | KINGSTON 08 8767 4600 | MILLICENT 08 8762 1515

SERVICING THE LIMESTONE COAST | www.goodcountryphysio.com.au

- Prepare marketing materials as directed
- Assist in preparing the practice newsletter and other promotional material
- Assist in preparing regular marketing correspondence to referrers and client groups
- Collect and collate patient satisfaction survey information
- Liaise and maintain positive communications with patients

General:

- Ensure the practice is presented neatly and remains clean
- Abide by all relevant legal requirements including work health and safety, privacy, equal opportunity etc
- Ensure that the patient is treated with respect, privacy and dignity at all times
- Contribute to minimising risk within the service
- To participate in the appraisal system, ensuring that organisational goals are achieved
- To be familiar with the policies and procedures of the organisation
- To ensure records are accurate for the purpose of charging clients the appropriate fees
- To be capable of functioning semi autonomously, and prioritising own work within established policies, guidelines and procedures

Personal result areas:

- To maintain a client focus that includes empathy, kindness, high levels of communication and responsiveness
- To ensure that the role is approached with integrity
- To maintain a quality approach
- To be responsible
- To maintain a level of physical fitness appropriate to delivering the services required
- To be reliable

Key Selection Criteria

Essential

- Experience working in an office environment
- Good communication skills
- High quality interpersonal skills
- The ability to assess problems and develop creative solutions
- Competence in computer based practice management systems, word processing and spreadsheets
- Demonstrated commitment to high standards
- Demonstrated empathy for and kindness towards the needs of patients
- Excellent time management and prioritisation skills
- The ability to adapt to changing environments
