Physiotherapy

On **YOUR** team, working together, for **YOUR** health

Graduate Training Program 2024 - two positions

Opportunities as a rural physiotherapist at GCP:

- Huge **variety** in your caseload
- **Generous funding** through RDWA for relocation & PD, exclusive to rural private practice roles
- Work as part of our well-connected, welcoming and **passionate team**
- Explore the **beautiful** Limestone Coast, only 3 hours from Adelaide
- **Feel valued** by our local community
- Grow your personal and professional **identity**
- Regular GCP **social events**
- Join a **community** group or club
- Private practice **career pathway**

Our Graduate Training Program includes:

- **Longer** appointment times (45 - 60 mins)
- Over **10 hours** of paid scheduled support and/or training **every month**
- Opportunities to cover **local and state sporting teams**
- Opportunity to learn from experienced physios in pelvic health, occupational physio, paediatrics, neuro, concussion, hands
- **Paid training** in GLA:D and clinical pilates
- Access to **TAHRGETS training**

About Us:

- **12 physiotherapists** (5 with post-grad Masters degrees, 2 studying Masters part time)
- **1 allied health assistant** + 7 supportive admin staff
- **4 clinics** across the Limestone Coast + one satellite clinic
- All of our clinics are open on weekdays only - **no weekend work**
- We pay all of our physiotherapists a generous salary package, with **no commission pressure**

Applications close: **30th September 2023**
